Curriculum

Kindergarten

The school provides a theme based integrated curriculum for the tiny tots of kindergarten which sets the standard for early childhood education

SPICE (**S**ocial Skills, **P**hysical Skills, **I**ntellectual Skills, **C**reative Skills and **E**motional Skills) is a continuous and comprehensive periodic assessment of the students to facilitate holistic learning in a stress free environment.

The focus is in identifying talents and capabilities of children and empowering them with positive inputs.
